Policies:

Once we have evaluated your dog's behavior for playtime in a group setting and your dog is able to participate, we will have a Daycare Waiver that explains our policies in further detail. The waiver is good for one year from the signature. The first evaluation is \$24.00 and that covers the evaluation fee, report and playtime.

If your dog is deemed unable to participate in group play we will call or email you to pick them up at your earliest convenience.

We reserve the right to refuse daycare service to dogs who disrupt the daycare through aggressive or uncontrolled behavior whenever it should occur.
